Maracaibo Intenso

The soul of Maracaibo cocoa – Felchlin’s new Couverture Intenso, especially developed to retain the intense flavor of this rare bean by limiting the amount of added cocoa butter to the absolute minimum. The exclusive Criollo noble-grade cocoa bean has been selected to enhance the best possible results available for such an exclusive product. The gentle processing unfolds the delicate aromas of coffee, plum and orange blossom, reflecting the exceptional character of this Couverture.

Maracaibo Intenso 66% is designed to lend an intensity of flavor to satisfy chocolate enthusiast by enhancing the unique taste of your chocolate creations.

Advantages

Reduced quantity of Couverture due to the more intense flavor or enhanced taste experience due to the intensity of flavor.
